Education

- **German International University (GIU)** July 2026
B.Sc. Software Engineering (Major), Data Science (Minor)
- **Capital International Schools** 2022
American Diploma

Experience

- **Sumerge** Sep 2025 – Present
Software Engineer Intern → Full-Time *Cairo, Egypt*
 - Developed a company-wide internal portal for HR and IT operations within a microservices architecture using Quarkus and Maven.
 - Built a centralized dashboard module providing operational visibility and process tracking.
 - Implemented dedicated modules for Leave Management, Certificates, HR/IT Requests, and Employee Onboarding with BPMN-based approval workflows.
 - Worked within a micro-frontend ecosystem using React, integrating Kafka for messaging and Redis for caching.
- **SiteHub Builder (Startup Agency)** 2025 – Present
Founder & Full-Stack Developer *Remote*
 - Founded and led a startup agency building production web platforms for schools and SMEs; portfolio/highlights: LinkedIn.
 - Designed and launched the **Leaders International College website** (NestJS, React, MongoDB).
 - Built a full **assessment reservation system** from booking to payment, including tour scheduling and **Paymob** payment integration.
 - Developed an **ID card generation system** (barcodes, image merging, automatic ID issuance).
 - Built a **WhatsApp admission automation system** for real-time parent communication.
- **e& (Etisalat)** Aug 2025
Mobile Application Intern *Cairo, Egypt*
 - Developed and optimized mobile applications using Flutter and Dart.
 - Integrated apps with Etisalat APIs to improve scalability and responsiveness.
- **Klickit** Jul 2025
Software Developer Intern *Cairo, Egypt*
 - Developed and deployed a digital utility payment solution for SODIC compounds (electricity, water, maintenance).
 - Integrated secure payment gateways and automated bill generation/tracking.
 - Built an eCommerce platform for Elite School Uniform with inventory management and responsive UI.

- **Leaders International College** Jun 2025
Information Security Intern Cairo, Egypt
 - Conducted ML-based data analysis for academic and administrative planning.
 - Upgraded iPad systems for digital book integration.
 - Led the transition from LAN to high-speed fiber network infrastructure.
- **e& (Etisalat)** Aug 2024
Data Analyst Intern Cairo, Egypt
 - Utilized SQL to query and manipulate large datasets.
 - Developed ML models to predict customer behavior and optimize operations.
 - Presented actionable insights to stakeholders for strategic decision-making.

Projects

- **AI-Assisted LCNC E-Commerce SaaS Builder (Bachelor Thesis)** – Developed a full low-code/no-code platform with a visual editor + AI chat for styling/layout changes, generating clean React code with export; implemented end-to-end e-commerce flow (products, cart, checkout, auth) (React, TS, Tailwind, Supabase/Firebase).
- **E-Learning Platform** – Adaptive modules & performance tracking (NestJS, Next.js, Flask, MongoDB).
- **Car Pooling System (GIU)** – Real-time booking & payments (Next.js, GraphQL, Kafka, Stripe).
- **Task Management System on AWS** – Fully cloud-native solution (EC2, S3, RDS, DynamoDB, Lambda, API Gateway).
- **Automatic Image Captioning** – CNN-RNN on Flickr8k dataset (TensorFlow, Keras, OpenCV).
- **Augmented Reality Treasure Hunt Game** – Unity (C#) with 3D models.
- **The Last of Us Game** – JavaFX, software construction & testing project.

Skills

- **Programming:** Java, Python, JavaScript, TypeScript, C++, C#, SQL, Dart, Bash
- **Backend:** Quarkus, Spring Boot, .NET, Node.js, NestJS, FastAPI, Flask, Maven, REST APIs
- **Frontend:** React.js, Next.js, Angular, Micro-frontends
- **Architecture & Workflow:** Microservices, BPMN, Activiti, Event-Driven Architecture
- **Messaging & Caching:** Apache Kafka, Redis
- **Cloud & DevOps:** AWS (EC2, S3, RDS, DynamoDB, Lambda, Cognito), Vercel
- **Databases:** PostgreSQL, MongoDB, Cassandra, SQL
- **Data/ML:** TensorFlow, Keras, OpenCV, Pandas, NumPy, Apache Spark
- **Tools:** GitHub, IntelliJ, Eclipse, Visual Studio, Jupyter, Oracle
- **Languages:** English (Native), Arabic (Native), German (Elementary), French (Elementary)
